## PHOENIX LODGE NO. 2

12851 N. 19<sup>TH</sup> AVENUE . PHOENIX, ARIZONA 85029 . (602) 993-0230

July 23, 2010

Brothers and Sisters,

June was a very busy month here at your Lodge and it appears July will end in the same manner. Don't forget about the family fun day coming up on August 14<sup>th</sup>. It is a great time for the kids and as I am sure you all realize it is INDOORS. You can escape the heat with the great air conditioning we have, or you can have the kids go outside and take a ride on the water slide.

As the State Vice President I attended the Arizona Police Chiefs conference (POW-WOW) in Flagstaff which was held from July 21<sup>st</sup> through July 23<sup>rd</sup> and was able to make some great contacts while there. Needless to say the weather was fantastic but I could only stay one day. One of the people I met was Felecia Rotellini who is running for Attorney General, she has a lot of energy and since the FOP endorsed her, do your own research and see if we can help get her elected, (Google Felecia Rotellini phoenix) if you feel she would be good for the Attorney General spot spread the word. [Election is November 2<sup>nd</sup>, 2010.](#)

I want to thank all of our members who attended the endorsement ceremony for Governor Jan Brewer the attendance made it a great success.

I don't have the numbers yet for those who dropped PLEA, when I get them I will give you the figures. We continue to bring new members into Lodge 2 but we still have a long way to go. Keep up the good work and tell all your friends and co-workers.

AZCOPS put out some misinformation reference our legal plan and State President John Ortolano was all over that one. It seems the attorney for AZCOPS is printing a retraction to correct the misinformation. Gary Sales will probably have the email I received regarding the misinformation in the newsletter.

Fraternally,

Lou Manganiello, President  
Fraternal Order of Police, Phoenix Lodge 2
